****Prices are subject to change without notice****

******PLEASE NOTE:** I pay higher prices for sheets/pb's of certain valuable items. Please offer.

******PLEASE NOTE:** I will immediately return, at seller expense, any plate blocks that are in tight glassines, in mounts, in yellowed are/or stained glassines or any material that is moldy, mildewy or otherwise extensively damaged. While I prefer not to have to return items, I may be forced to do so if the quality of what you send is not of the quality that I have requested. Please check all items carefully before sending them. Please note that the cost of postage for returned items is deducted from the amount of the payment made, unless it is less than \$1, or unless I have asked you to send items on "spec". ****

I buy FLAWLESS MNH SCRAP postage @ 65% (ONLY 20c-\$1.00). **PLEASE DO NOT** send hinged scrap, scrap in mounts or denominations less than 20c. I **DO NOT** buy precanceled, fractional, bulk mail, presorted or lettered postage.

I also buy UNCANCELED, UNDAMAGED, CLEAN, NO GUM postage @ 50% (Only 20c-\$1.00). If you send NO GUM postage, you agree that you have carefully checked EACH No Gum stamp for possible cancellations/damage BEFORE sending them.

I also buy a large variety of other philatelic items and stamps at varying prices depending on quality, denomination and scarcity. Sheets and plate blocks are generally purchased @ 65-70% although I will pay up to 90% of face for more interesting and valuable items. For older valuable plate blocks and sheets (generally Scott's #904 and earlier), please call.

I am also interested in Airmail, Postage Due, Special Delivery, Special Handling, Parcel Post, Special Delivery Parcel Post, Federal Duck plates/sheets, and older MNH flawless condition COMPLETE Booklets, FDC's & Souvenir Sheets. Please offer.

When you send stamps, please separate them by denomination; 3c, 4c, 5c, etc. This will allow me to sort, review and count the stamps and send your payment faster. **Plate blocks should be sent with about 25 per glassine.** My goal is to review your shipment and send payment within 48 hours of receipt, although it may take longer if I have received a very large shipment(s).

You MUST call/email/write me with the approximate details/quantity of items BEFORE shipping. You must also provide me with a working email address and/or telephone number BEFORE shipping. All shipments should be packed well to prevent bending/damage and mailed insured and with delivery confirmation to protect your items while in transit. Thank you.
